**The Foundation for Human Enrichment -  
Somatic Experiencing® Trauma Institute Presents:**

**Interested in learning more about the principles of Somatic Experiencing and the SE Professional Training?**

**Basic Principles of Somatic Experiencing, August 11, 2017**

10:00 AM - 1:00 PM Mountain Time  
with Claudelle Glasgow, PsyD, SEP

This webinar is open to all interested participants. Attending this online introductory SE workshop will provide you with a basic theoretical overview of the SE model and how it complements and augments traditional approaches to working with trauma. In this sense, you should be expected to gain an introductory understanding of the SE theoretical model, how this SE model fits with and expands current trauma treatment, and how attending the SE Professional Training may support your interest in learning more effective ways to treat your clients and patients. This webinar is designed for professionals who work with the effects of trauma including: mental and medical health professionals, body workers, first responders, educators, clergy, and other professionals in the healing arts. **Learn helpful information to benefit your practice.**

**Additional dates are being scheduled.**

**Member Webinars**

**Additional member webinars are being scheduled for 2017. Stay tuned for new topics coming soon!**

**Introduction to Theraplay**

1:00 PM - 2:00 PM Mountain Time  
with Dafna Lender, LCSW

The Theraplay Institute has been the international guardian for Theraplay® since 1971, and a 501(c)(3) not-for-profit corporation since 1995. We are all about “building better relationships”—family relationships through Theraplay treatment, classroom relationships

through Sunshine Circles, community relationships through our professional networking and educational services program, international relationships through our chartered affiliates in Finland and our international associations in many other countries. The Theraplay Institute is an international training institute, providing training for mental health professionals, parents and teachers, both locally and off-site around the world.
